## OUR MISSION

As a 501(c)3 non-profit, Seno K/RLT Conservancy relies on donations. We operate as both a land trust & sustainable tree farm and protect over 1200 acres of land in Kenosha and Racine counties. As part of our mission, we provide natural resources and sustainable forestry education opportunities to our communities just as our namesake, Dr. Elvira Seno, envisioned.

As a Conservation Partner, you receive recognition on our website as well as in newsletters & other promotional materials.
